Dear Mr. Lipscombe:

Re: Request for Endorsement of the Proposed Alignment for the Greenbelt Cycling Route in the Town of Newmarket

This is to advise that the Council at its meeting of January 19, 2015 endorsed the following:

THAT Development and Infrastructure Services - Joint Planning and Building Services/Engineering Services Report 2014-44 dated December 18, 2014 regarding the recommended modifications to the Greenbelt Cycling Route be received and that the following recommendations be adopted:

- (i) Regarding the route west of Yonge Street, that the route continue to be located on the trail through the Armstrong Family Park, and that the Town's Public Works Services be directed to undertake the necessary curb cut to facilitate access to the trail from Joe Persechini Drive.
- (ii) Regarding the route east of Yonge Street, that Option 2 (Savage Road – Jelly Ave – Bosworth Court – Tom Taylor Trail) be implemented as the Greenbelt Cycling Route.

As indicated in the attached staff report, it is also recommended that directional signage and the supporting mapping include direction to Newmarket's Historic Downtown via the Tom Taylor Trail in the area of Jelly Avenue and Bosworth Court.

The staff report considered by Council is attached for your reference.
